

# FOUNDATION CERTIFICATE IN FOOD SAFETY

The CIEH Foundation Certificate in Food Safety is designed for anyone working in a food business. Upon completion of this course, you will be able to prepare and cook food that is safe for consumption.

## Who is this course for?

- Food handlers preparing or cooking food for consumers
- Anyone wishing to refresh previously learned skills and knowledge
- Businesses looking to provide staff development to food employees
- Self-employed, food-based small business owners

## Course overview

This course reinforces the importance of food safety and provides learners with an understanding of how to identify and control food safety hazards in their own workplace.

## Key facts

- Offers the minimum standards for the food safety industry
- Builds on the Introductory Certificate in Food Safety
- Recognises good practice as a food handler
- Gives confidence to consumers

## Availability

- Available as a public course on selected dates
- Can be delivered as an in-house course for classes of up to 8 delegates
